Notes								
Deptford Lounge are not very good at reimburseing us expenditure made on their behalf.								
We have incurred £732 of un-reimbursed expenditure with them. Jane has advised that there have been staff changes there which may mean that we will experience difficulty in regaining all of this debt.								
This would have a consequent negative, but non-critical, effect on our year-end balance.								
Deptford Folk, by contrast, have both reimbursed us in full and made additional small donations
