## Appendix A

### Quarterly Treasurer's report

We are in fairly good shape despite the loss of payment from Southwark Cyclists for assistance with the Dulwich Dynamo and no payment for the cancelled Ride London event.

This is primarily due to a high level of donations as a consequence of Jane Davis, and the mechanics, work in maintaining or assembling and donating numerous bikes over the past few months many of which have gone to key workers in the care sector.

The attached Ongoing Budget is necessarily somewhat subjective due to changing social restrictions, but it is not felt that we will be in a bad financial position come the end of this year.

**Grant account**

The Grant Account currently has a balance of £1855. £2784 was brought forward from last year with most of this year's expenditure being a total of £750 paid as retainer to our regular mechanic Seb Achbiou.

Although the original terms of the grant were solely for youth club type activities within the Deptford area we have now been authorised to take a less restricted approach due to the ongoing situation.
